- Big Bass Team: \$100 covers the entire year. There will be a payout for the big bass out of the pot from only the teams entered. This is separate from event big bass. The more teams entering, the higher the payout. 100% of the pot will be paid out throughout the year. This is not affiliated with Big Bite.
- AOY Changes. Night tournaments will not count towards AOY. During the first day of the Classic the Top 20 AOY teams will compete for a separate pot. This is intended to make AOY more meaningful. Pot amount not yet determined.
