

Frequently Asked Questions

?? Is the \$60 for membership/entry fees per person or team?

Answer: Per Team

?? Can I have a sub and/or can I miss tournament(s) and still fish Classic?

Answer: A member can have up to two subs in the year. The team can miss up to two tournaments and still qualify for Classic. Also you can pay the entry for a tournament and not fish and will not be counted as a missed tournament. No "extra" charge for having a sub.

?? Do I have to come to meetings prior to tournament?

Answer: No, as long as your entry is paid via mail, or delivered to Shoreline by no later than end of day Friday before tournament. We suggest you come to meetings though to have the latest details, etc.

?? Do you allow trailering?

Answer: We do, if the conditions warrant. This is not a trailering tournament trail. We will allow trailering on an event basis. Also, we normally will do a take-off by number. But, based on conditions or other traffic, etc. we sometimes will allow for teams to launch and start fishing at a designated time. This will be decided on an event basis.
